LANTERN

ARISTOCRAT

Lantern Surgery Benefit: What You Need to Know

Lantern is a benefit offered by Aristocrat Technologies that connects you to board-certified surgeons, personalized support and little to no out-of-pocket costs for eligible procedures. We guide you from your first question to your full recovery, so you never have to navigate surgery alone.

What Does Lantern Cover?

- Personalized guidance to help you choose the right surgeon
- Consultations and appointments with your Lantern surgeon
- Anesthesia, procedure, and hospital or surgery center fees
- Step-by-step support from our Lantern care team

How Do I Access the Benefit?

If you need surgery, make Lantern your first call. In some cases, you may be required to work with a Lantern network surgeon — calling first ensures you get the best care and the full benefit.

Call Lantern today at (855) 358-1886.

Who Will Help Me Through This Process?

Our Lantern care team will:

- Provide personalized support throughout your surgical journey
- Explain your options in plain language
- Handle scheduling and paperwork for you
- Be your go-to resource before, during and after your procedure

How Do I Know if a Surgery Is Covered?

Just call us. We'll confirm if your procedure qualifies and explain any small costs you might have for things like diagnostic tests or follow-up visits.

What's Not Covered?

Emergency surgeries, cosmetic procedures and some medical equipment aren't included. Certain tests, imaging or therapy may not be fully covered, but we will explain all your options.

Is My Family Covered?

Yes. If your spouse or dependents are on your health plan, they're covered too.

Does Lantern Cost Me Anything?

You're automatically enrolled at no cost to you. The cost of your surgery will be $0 or significantly reduced

How Do I Find the Right Surgeon?

We'll help you find board-certified surgeons who meet our safety and quality standards — close to home and ready to care for you.

If I Already Have a Surgeon, Can I Still Use Lantern?

If your surgeon is in the Lantern network, you can still use them for surgery, but you must call Lantern before your procedure to ensure savings. If your surgeon isn't in network, we'll show you comparable options close to home.

Is the Cost of Travel Covered?

Lantern may assist with travel costs for out-of-town surgery, including transportation, lodging and daily expenses. Call to confirm your benefits.
