

# New Care Benefit

Beginning in 2027, Lantern will be part of your health benefits, giving you personalized support for planned surgery and infusion therapy.

## Surgery care

### Find the right surgeon.

Connect with board-certified surgeons who meet Lantern's quality standards.

### Save on eligible procedures.

Many covered surgeries may be available at little to no out-of-pocket cost.\*

### Get support from start to finish.

Your Lantern Care Team can help you understand your options, coordinate care and navigate next steps.

### Support when care takes you farther from home.

When eligible care isn't available nearby, Lantern may provide travel support for transportation, lodging and meals for you and a loved one.\*

### Includes thousands of procedures across these categories:

- Bariatrics
- Spine
- Orthopedic
- Joint
- Ear, Nose & Throat
- Cardiac
- Gynecology
- General Surgery
- Gastrointestinal
- Spine & Ortho Injections
- Urology
- Infusion Therapy

## Infusion therapy

### Explore convenient options for care.

Receive eligible infusion therapy at home or at a trusted infusion center near you.

### Access high-quality providers.

Lantern connects you with providers vetted for safety and quality.

### Save on eligible treatments.

Covered infusion treatments may be available at lower or no out-of-pocket cost.\*

### Get support throughout treatment.

A Clinical Care Specialist helps guide you from start to finish.

\* Savings and travel benefits vary based on your health plan, procedure and treatment.

High-quality care,  
made **easier to  
navigate with  
Lantern.**
