Protection for a Brighter Digital Future

All-in-one protection against threats to employees' identity, devices, and privacy

Copyright © 2022 NortonLifeLock Inc. All rights reserved. NORTONLIFELOCK CONFIDENTIAL – FOR BROKER/EMPLOYER INTERNAL USE ONLY - not for use with consumers - all consumer facing materials concerning NortonLifeLock offerings require NortonLifeLock prior review.

How it works

Step 1

SCAN & PROTECT

- Norton technology blocks 9M threats a day
- VPN protect members' information on public WiFi or unsecured networks
- Includes award-winning Norton antivirus software

Step 2

DETECT & ALERT

- Monitors† for threats to members' identities
- Alerts by phone‡‡, text, email, or mobile app when a potential threat is detected

Step 3

FIX & REIMBURSE

- Identity Restoration Agents work to resolve ID theft issues
- Reimbursement of funds stolen due to ID theft up to $1M*

No one can prevent all identity theft or all cybercrime.
† We do not monitor all transactions at all businesses.
‡‡ Requires your device to have an Internet/data plan and be turned on.
*Benefits under the Master Policy are issued and covered by United Specialty Insurance Company (State National Insurance Company, Inc. for NY State members). Global Privacy Statement and Legal at: NortonLifeLock.com/legal.

LifeLock Benefit Solutions

You are now enrolled in Norton LifeLock Benefit Plans

Your plan includes protection for your digital life – helping protect your identity, your online privacy, and your personal devices.

It is important for you to take a few moments to activate your new account. You will need to log in to take advantage of many of the great features included in your plan.

Activate my account

When activating your account, you will be asked to provide key pieces of information so that we can verify and locate your membership. Once complete, you will provide your preferred (unique to you) email address and create a password that will be used to access your account in the future at my.norton.com.

Once activated, your protection is made to be on-the-go!

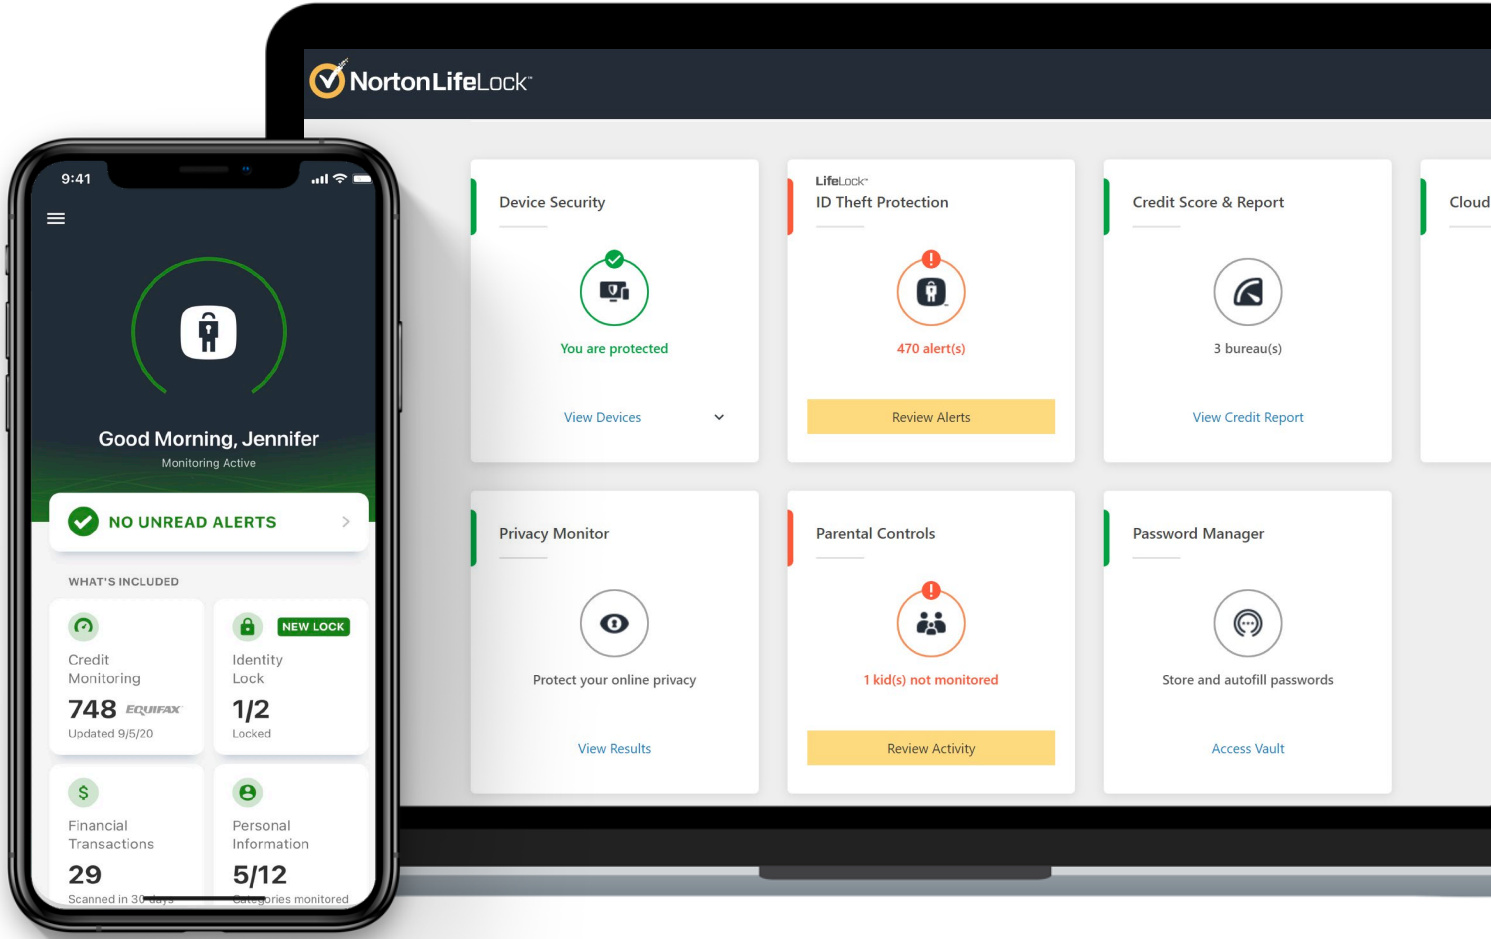

Take advantage of our powerful, personal mobile security protection on a top-level mobile app. The primary member (employee) will need to login on each device utilizing the Norton 360™ for Mobile app, providing protection against viruses, ransomware, malware, spyware, and other online threats.

Your partner against cyberthreats

- Ditch the sticky notes – store your passwords securely
- Be alerted* when you're visiting an unsafe site
- Scan WIFI and avoid unsecured networks
- Keep your internet activity private with Norton Secure VPN
- Bolster your financial wellness by regularly checking your credit reports and scores
