# Women’s Health Digital Support Center

The Women’s Health Support Center is a collection of educational information and resources to guide members on health topics over different life stages and events.

The support center is accessible via **health.aetna.com** *(Under Member Resources)*

## Educational information and resources include:

**Reproductive Health** including information on reproductive health conditions to help support decisions

**Menstrual Health & Menopause** including information on what to expect during these life stages plus care options

**Heart Health** including information on health promotion, screenings, conditions and resources to support a member’s health journey

**Health Conditions** including information on chronic & autoimmune conditions, plus resources
