

NEW FOR YOU

An easier way to HSA

Your new health savings account, flexible spending account, and other tax-advantaged accounts are administered by ALEX (in partnership with HSA Bank). Whether these are your first accounts or you're an old pro, you'll have access to a personalized online experience that can help you spend less on health care and use more of your employer benefits each year.

 Get personalized suggestions from ALEX about other benefits, incentive programs, and account optimizations based on your spending.

 Access your tax-advantaged accounts on the go with our mobile-friendly dashboard.

 Learn how to use your HSA for investing and long term saving, not just short term spending.

 Find new tips and tricks every time you log in to help you do more with your money.
