THIS IS LIMITED BENEFIT INDEMNITY COVERAGE

Benefits are paid for Critical Illnesses as defined in the Certificate. GENERAL PROVISIONS

ELIGIBILITY

If you are working for the Employer in an eligible class (shown on the SCHEDULE OF BENEFITS), the date you are eligible for coverage is the later of the following:

- The Policy effective date.

EFFECTIVE DATE OF COVERAGE

You will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date you are eligible for coverage, if you apply for coverage on or before that date.
- The date you apply for coverage.
- The date you return to Active Employment, if you are not in Active Employment when your coverage would otherwise become effective. **Exception**: Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS

If you are not in Active Employment due to Injury or Sickness on the effective date of the Employer's coverage under our Policy, and you were covered under the Employer's prior group policy of critical illness or specified disease insurance at the time the Employer's coverage under our Policy became effective, we will provide continuity of coverage under our Policy. In order for this provision to apply, the prior policy's coverage must be similar to our Policy.

If you are not in Active Employment due to Injury or Sickness on the effective date of our Policy, and you would otherwise be eligible to become insured under our Policy, we will provide limited coverage under our Policy. Coverage under this provision will begin on our Policy effective date and will continue until the earliest of the following:

- The date you return to Active Employment.
- The end of any period of continuance or extension provided under the prior policy.
- The date coverage would otherwise end, according to the provisions of our Policy.

Your coverage under this provision is subject to payment of premiums.

Any benefits payable under this provision will be paid as if the prior policy had remained in force. We will reduce our payment by any amount for which the prior carrier is liable.

If your coverage ends under this provision, or if you were not covered under the Employer's prior policy on the date that policy terminated, the EFFECTIVE DATE OF COVERAGE provision under our Policy will apply.

CREDIT FOR PRE-EXISTING CONDITIONS

We may pay benefits if your Critical Illness results from a Pre-Existing Condition if both of the following are true:

- You were insured for critical illness or specified disease insurance under the Employer's prior policy at the time the Employer's coverage under our Policy became effective.
- You have been continuously covered under our Policy from our Policy effective date through the date the loss occurs.

In order to receive benefits, your claim must not be excluded under either the Pre-Existing Condition Exclusion of our Policy or under a pre-existing condition provision of the prior policy if benefits would have been paid had that policy remained in force.

If you have been continuously insured, without claim, for the entire Pre-Existing Condition Exclusion period of our Policy, we will determine your benefits according to our Policy's provisions.

If your claim is excluded under the Pre-Existing Condition Exclusion of our Policy, but your claim would not have been excluded under the prior policy's pre-existing condition provision if that policy had remained in force, then both of the following apply:

- The benefit will be the lesser of:
  - the benefit that would have been payable under the terms of the prior policy had it remained in force.
  - the benefit under our Policy.
- Benefits will end on the earlier of:
  - the date benefits end under our Policy, as described under the TERMINATION OF COVERAGE provision.
  - the date benefits would have ended under the prior policy if it had remained in force.

If your claim is excluded under both our Policy's Pre-Existing Condition Exclusion and the prior policy's pre-existing condition provision, we will not make any payments.

We will require proof that you were insured under the prior policy. All other provisions of our Policy will apply.

TERMINATION OF COVERAGE

Your coverage under the Policy ends on the earliest of the following dates:

- The date the Policy terminates.
- The date you are no longer in an eligible class.
- The date your eligible class is no longer covered.
- The date you voluntarily cancel your coverage.
- The end of the period for which you paid premiums, if you stop making a required premium contribution, subject to the grace period.
- The end of the Policyholder's grace period, if the Policyholder does not remit premium to us by the end of such period.
- The last day you are in Active Employment.
- The date the total maximum benefit amount has been paid for all Critical Illnesses.

We will provide coverage for a payable claim that occurs while you are covered under the Policy.

POLICY TERMINATION

The Policy can be terminated either by us or by the Policyholder.

We may terminate the Policy for any of the following reasons:

- There is less than 15% participation of those eligible persons who pay all or part of their premium for the Policy.
- The Policyholder does not promptly provide us with information that is reasonably required.
- Fewer than 25 persons are insured under the Policy.
- The premium is not paid in accordance with the provisions of the Policy.
- We determine that there is a significant change in the size, occupation or age of the eligible class(es) as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Policyholder and/or its persons.
- We stop providing the type of coverage under this Policy to all groups in the Policy issue state.

We reserve the right to review and terminate all class(es) covered under the Policy if any class(es) cease(s) to be covered.

If the Policyholder fails to pay the full premium due by the end of the grace period, the Policy will terminate according to the GRACE PERIOD provision.

If we terminate the Policy for reasons other than the Policyholder's failure to pay premiums, written notice will be mailed to the Policyholder at least 60 days prior to the termination date.

The Policyholder may terminate the Policy by written notice delivered to us at our home office prior to the termination date. When both the Policyholder and we agree, the Policy can be terminated on an earlier date.

If the Policyholder or we terminate the Policy, coverage will end at 12:00 midnight standard time at the Policyholder's address on the termination date.

If the Policy is terminated, the termination will not affect a payable claim.

PORTABILITY

Portability means you have the option to continue your coverage after it would otherwise terminate if certain conditions are met. You must elect portability before you reach age 70.

To continue your coverage, you must apply for portability and pay the first premium within 31 days of the date your coverage would otherwise terminate due to any of the following:

- You retire or terminate employment with the Employer, if coverage remains in effect under the Policy for other Insured Persons.
- The Policyholder terminates coverage under the Policy for all Insured Persons, and does not replace it with a similar insurance plan.
- You are no longer eligible for coverage under the Policy.

You can decrease, but not increase, the ported coverage amount. Ported coverage is subject to all the terms of the Policy and this Certificate.

Premiums will be billed directly to you. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time you apply for portability. Each Premium due will include a billing fee as indicated with the portability application or subsequent notice. We may change the portability premium rates at any time upon 60 days written notice to you.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which you paid premiums, if you stop making a required premium contribution, subject to the grace period.
- The date you die.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

GRACE PERIOD

The Policyholder has a grace period of 60 days for the payment of any premium due except the first. If the premium is paid during the grace period, the Policy will remain in force during the grace period. If the premium is not paid during the grace period, the Policy will terminate at the end of the period for which premiums were paid. There is no grace period if the Policyholder gives us advance written notice of termination, or if we have given the Policyholder advance written notice of termination as described under the POLICY TERMINATION provision.

If you are on portability, you also have a grace period of 31 days for the payment of any premium due. If the premium is paid during the grace period, coverage will remain in force during the grace period. If the premium is not paid during the grace period, coverage will terminate at the end of the period for which premiums were paid.

REPRESENTATIONS NOT WARRANTIES

We consider any statements the Policyholder and you make in an application or enrollment form to be representations and not warranties. No statements made by you will be used to reduce or deny any claim or to cancel your coverage unless both of the following are true:

- The statement is in writing and is signed by you.
- A copy of that statement is given to you or your personal representative.

INCONTESTABILITY

Except in the case of fraud, no statement made by you in an application or enrollment form relating to your insurability will be used to contest the insurance for which the statement was made after the coverage has been in force for two years during your lifetime.

Beyond the periods stated in the PRE-EXISTING CONDITION EXCLUSION provision, no claim shall be reduced or denied on the ground that a disease or physical condition, not excluded from coverage by name or specific description effective on the date of loss, had existed prior to the effective date of your coverage.

CLERICAL ERROR

Clerical error or omission by us or by the Policyholder will not:

- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

MISSTATEMENT OF AGE

If premiums are based on your age and you have misstated your age,
we will make a fair adjustment of benefits to reflect the amount that the premium paid would have purchased at your true age. We may require satisfactory proof of your age before paying any claim.

ASSIGNMENT

No assignment of benefits under the Policy is valid unless otherwise specified in the Policy.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

CONFORMITY WITH STATE STATUTES

Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the jurisdiction where the Policy is issued is automatically amended to conform to the minimum requirements of such law.

CHANGES TO POLICY OR CERTIFICATE

No agent, representative or employee of ours or of any other entity may change or waive the terms of the Policy, or of any Certificate or rider issued under it, except in writing signed by one of our executive officers and endorsed or attached to the Policy.

If there is a conflict between the terms of this Certificate or any attached rider and the Policy, the Policy controls.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on the SCHEDULE OF BENEFITS if you are diagnosed with a Critical Illness after your coverage effective date, subject to the PRE-EXISTING CONDITION EXCLUSION. The percentage of BENEFIT AMOUNT payable is listed for the Critical Illness on the SCHEDULE OF BENEFITS.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of this certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on the SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable to you for each Critical Illness in the Certificate during your lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and your coverage (including all riders) terminates.

A diagnosis of Heart Attack or Coronary Artery Bypass must be made by a cardiologist or a Doctor familiar with the specific condition. A diagnosis of Stroke must be made by a neurologist or a Doctor familiar with the diagnosis of Stroke.

If you are on the UNOS (United Network for Organ Sharing) list for a combined transplant, only one Major Organ Transplant benefit will be payable for the diagnosis.

QUALITY OF LIFE MODULE

If you do not receive the form from us within 15 days of your request, you may send us written proof of claim without waiting for the form. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

Any reference to marriage includes establishment of a domestic partnership. Any reference to divorce includes termination of a domestic partnership.

- The Policy effective date.
- The date this rider is available to the eligible class of Insured Persons to which you belong.
- Your Critical Illness coverage effective date.

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on this rider's SCHEDULE OF BENEFITS if your Spouse is diagnosed with a Critical Illness after your Spouse's coverage effective date, subject to the PRE-EXISTING CONDITION EXCLUSION. The percentage of BENEFIT AMOUNT payable is listed for the Critical Illness on this rider's SCHEDULE OF BENEFITS.

The benefits for your Spouse are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of the Certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy, may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness in this rider during your Spouse's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount for your Spouse has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and this rider terminates.

Payment of any benefits for your Spouse's Critical Illness will not impact the available BENEFIT AMOUNT for your Critical Illness coverage. CRITICAL ILLNESS BENEFITS

The benefits for your Children are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate. Benefits for the Additional Child Diseases module are shown below.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis from any previously diagnosed Critical Illness or Additional Child Disease. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness and Additional Child Disease. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness and Additional Child Disease in this rider during your Child's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness or Additional Child Disease.

When the total maximum benefit amount for a Child has been paid for a Critical Illness or Additional Child Disease, no further benefits are payable for that Child for that Critical Illness or Additional Child Disease. When the total maximum benefit amount for a Child has been paid for all Critical Illnesses and Additional Child Diseases, no further benefits are payable for that Child. When the total maximum benefit has been paid for all Children for all Critical Illnesses and Additional Child Diseases, no further benefits are payable and this rider terminates.

Payment of any benefits for your Child's Critical Illness or Additional Child Disease will not impact the available BENEFIT AMOUNT for your Critical Illness. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Child's Critical Illness or Additional Child Disease as long as your coverage remains in force.

A diagnosis of any Critical Illness or Additional Child Disease must be made after your Child's live birth and by a Doctor familiar with the diagnosis of the specific condition.

CLAIMS

NOTICE OF CLAIM

Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized agent or administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us written proof of claim without waiting for the form. If such written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM

The claim form(s) may require completion by you and the Employer and your Child's attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

You must send us written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require your Child to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Benefits under this rider are payable to you. Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH, benefits will be paid to your Spouse, and any accrued benefits that are payable at the time of your Spouse's death will be paid to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

CONTENTS

DEFINITIONS

Doctor means a person who is licensed to practice medicine in the state in which treatment is received and providing treatment or advice in accordance with the license. State law may require consideration of professional services of a practitioner other than a medical physician. If so, then this definition includes persons recognized as qualified to treat the condition for which claim is made by the state in which treatment is received. This definition does not include you or your spouse, or your or your spouse's children, parents, grandparents, grandchildren, siblings and their spouses.

Total Disability or **Totally Disabled** means that due to an injury or sickness you are unable to perform the material duties of your regular job, and you are unable to perform for remuneration or profit any other job for which you are fit by education, training or experience.

Waiting Period means the 3 months period immediately following the date you stop Active Employment during which you are continuously Totally Disabled.

- The Policy effective date.
- The date this rider is available to the eligible class of Insured Persons to which you belong.
- Your Critical Illness coverage effective date.

EFFECTIVE DATE

TERMINATION

This rider will terminate on the earliest of the following:

- The date your Certificate terminates.

- The date Critical Illness coverage is being continued under the Certificate's PORTABILITY provision.

This rider will not terminate while premiums are being waived under the terms of this rider.

TERMINATION OF COVERAGE

The TERMINATION OF COVERAGE provision in your Certificate is revised to add this item to the terms under which your coverage ends:

- The date premiums are no longer being waived under the Waiver of Premium Rider, if you are not in an eligible class on that date.

WAIVER OF PREMIUM BENEFIT

If you become Totally Disabled while covered under this rider and meet the other conditions below, we will waive premiums due under the Policy and continue insurance during your Total Disability, according to the terms of this rider. When we waive premiums, the amount of continued Critical Illness insurance equals the amount that would have been provided if you had not become Totally Disabled. That amount will reduce or stop according to the Certificate and riders in effect on the date Total Disability began. Premiums that are waived are not deducted from any proceeds that may become payable.

Continued Critical Illness insurance includes the following if effective on the date before your Total Disability began:

- Critical Illness insurance.
- the Wellness Benefit Rider.

Continued Critical Illness insurance does not include:

- Critical Illness insurance.
- the Wellness Benefit Rider.
- any continuation rider(s).

Any rider or coverage that is not eligible for waiver of premium under this rider will terminate on the date that coverage would otherwise end due to your termination of Active Employment.

Continued insurance is subject to all other terms of the Policy.

CONDITIONS FOR WAIVER OF PREMIUM

All of the following conditions must be met in order to waive premiums:

- Total Disability begins before your 60th birthday.
- You are covered under this rider on the date your Total Disability begins.
- You are continuously Totally Disabled for the entire Waiting Period. Premiums due during the Waiting Period are subject to the continuation provision(s) of the Certificate and any riders.
- All premiums due for Critical Illness insurance and this rider are paid to us through the date we approve your claim for waiver of premium or the date the continuation period under the Certificate and any rider ends, whichever is earlier. Premiums due are payable by the Policyholder or you as applicable.
- You provide notice of claim and proof of Total Disability to us as described below.

NOTICE OF CLAIM AND PROOF OF TOTAL DISABILITY

You must send us written notice of claim while you are living, while you are Totally Disabled, and within 12 months of the date your Total Disability begins. Failure to give notice within 12 months will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Notice of claim includes proof of your Total Disability. Proof of your Total Disability includes information from your Doctor, at your expense, regarding your condition and your inability to work. We may require additional information from the Employer in order to verify eligibility. We may also require you to be interviewed by our authorized representative. Proof of your Total Disability, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s). Claim forms are available from the Employer or us.

We have the right to request a second or third medical opinion, at our expense, in order to determine if you are Totally Disabled. Any second medical opinion may include a physical examination by a Doctor or other medical practitioner of our choice. In the case of conflicting medical opinions, Total Disability will be determined by a third medical opinion that is provided by a Doctor who is mutually acceptable to you and us.

EFFECTIVE DATE OF WAIVER OF PREMIUM

When we approve your claim, premiums are waived as of the date after the Waiting Period ends. We will refund any unearned premiums we receive to the Policyholder or to you, as appropriate. We will notify you in writing when your claim is approved.

We will notify you and the Employer if we deny your claim.

If we approve a claim for which notice of claim was provided to us more than 12 months after the date your Total Disability began, then any refund of unearned premiums will not exceed 12 months of premiums dating back from the date the notice of claim was received by us.

After your claim is approved, we may periodically request additional proof of your continuing Total Disability, but not more frequently than once every six months.

TERMINATION OF WAIVER OF PREMIUM

We will stop waiving premiums on the earliest of the following dates:

- The date you are no longer Totally Disabled.
- The date you do not give us proof of Total Disability as requested.
- The end of the 24 month period during which your premiums are waived.

If premiums are no longer waived, insurance under the Policy will stay in force only if all of the following conditions are met:

- Critical Illness insurance is in force for Insured Persons under the Policy; and
- You are in an eligible class for coverage under the Policy; and
- Your premium payments are resumed.

The amount of insurance will be subject to the Certificate and riders in effect on the date your premium payments are resumed.

You will not be eligible for portability under the Certificate's PORTABILITY provision on the date we stop waiving your premiums.

EXCLUSIONS

No exclusions apply to the waiver of premium benefit under this rider. All exclusions continue to apply to the Certificate and any riders other than this rider attached to the Certificate.
